

Social network for orchid lovers (Соціальна мережа для любителів орхідей)

Requirements for the “User Profile” functionality

1. Social network overview

1.1 With the social network we are developing, we want users to be able to share photos and/or videos of orchids on their user profile.

1.2 We want users to be able to sell their orchids to other users of the social network.

1.3 We want users to be able to buy orchids from other users of the social network.

2. User Requirements

2.1 I, as a Social Network User, would like to be able to post photos and/or videos of orchids on my user profile.

2.2 I, as a Social Network User, want to be able to sell orchids by receiving order notifications in my user profile.

2.3 I, as a Social Network User, want to be able to buy orchids from other users by clicking on the “Buy” button, which will be located under the photo and / or video.

2.4 I, as a Social Network User, want to be able to see published photos and / or videos of orchids of other users.

2.5 I, as a Social Network User, have the opportunity to put an Avatar on my personal page in the “User Profile” section.

2.6 I, as a Social Network User, have the opportunity after the registration process to enter additional information (country, city, contact details, brief information about the type of activity) in the “Personal data” section.

3. Functional requirements

3.1 After the registration process, the social network should redirect the user to the “User Profile” page.

3.2 The “User Profile” page icon looks like “  ” and is located in the lower right corner of the screen.

3.3 The “User Profile” page should display:

- User avatar - in the upper part of the screen in the center, the avatar looks like a circle with a diameter of 2 cm;
- User nickname - located under the user's avatar: limited to 25 characters; font "Orbitron"; font size 14 points; color #000000;
- Information about the field of activity is located under the user nickname: has a limit of 45 characters; font "LimeLight"; font size 12 points; color #000000;
- "Subscribers" - the number of subscribers and the word "Subscribers" are located after the information about the field of activity, on the left side of the line. The number of subscribers is displayed in Latin numerals, calculations begin with the number 1. Font "Orbitron"; font size 12 points, color #000000;
- "Subscriptions" - the number of subscriptions and the word "Subscriptions" are located after the information about the field of activity, on the right side of the line. The number of subscriptions is displayed in Latin numerals, the calculation starts with the number 1. Font "Orbitron"; font size 12 points, color #000000;
- After the line on which "Subscribers" and "Subscriptions" are located, published photos and / or videos of products are located.

3.4 The page of the social network "User Profile" has the following sections, which are displayed after double-clicking on the icon "  ":

- Personal Data
- Messages
- Download
- Settings
- Events
- Basket

3.5 On the "User Profile" page, the user should be able to fill out detailed information about his activities in the "Personal Data" section.

3.6 On the "User Profile" page, the user should be able to see messages from other users in the "Messages" section.

3.7 On the "User Profile" page, the user should be able to post photos and/or videos of orchids by clicking on the "Download" button.

3.8 On the "User Profile" page, the user should be able to go to the "Settings" section for more detailed customization of the user page.

3.9 On the "User Profile" page, the user should be able to go to the "Events" section, which will display information about upcoming orchid exhibitions.

3.10 In the "Basket" section, the user should be able to see information about the selected orchid to purchase.
